## Accounts

If you would like to establish either a corporate or personal account with us then nothing could be easier.

Contact us to set up an account; all that is needed is a billing address. Accounts are invoiced once a month and payment can be made via BACS, cheque or credit card on a 14 day basis unless otherwise agreed.

The benefits of an account are numerous.

If you regularly entertain clients from abroad, why not smooth their journey and enhance the reputation of your company by putting the cost of the airport transfer on your account?

Detailed invoices are sent to you so that you can see clearly the cost for each client with an easy to follow breakdown and reference. These invoices will display the reference, the

Relevant journey details, a cost breakdown, waiting, parking, charges and VAT

No more scrabbling for cash or the wait to process a credit card. Transport becomes smoother and more executive with an account.
